Thank you very much we greatfully appreciate all that you can do for us. We never expected anything like this to happen to us. Our father is very sick and the hurrican did not help that at all he has had two heart attacks within a two month time frame aug-sept. for the first two weeks after the hurricane we had to sleep in tents in our drive way with no water or electricity. It has been and will be very difficult but we will make it through.

thank you,
Jaclyn @ the [redacted] family.
